

2022 Important Payroll Filing Dates and Information

SPECIAL NOTE: All employers must use electronic funds transfer (EFT) to make their deposits. Generally, electronic fund transfers are made using the Electronic Federal Tax Payment System (EFTPS), which is a free service provided by the Department of Treasury. An employer that does not want to use EFTPS can arrange for a tax professional, financial institution, payroll service, or other trusted third party to make electronic deposits on the employer's behalf.

DEPOSIT RULES: Under IRS deposit rules, employers are either classified as a MONTHLY or SEMI-WEEKLY depositor. Employers determine their deposit status based upon the aggregate amount of employment taxes paid during the "lookback period," a twelve-month period beginning July 1 of the second preceding year and ending June 30 of the prior year. For 2022, the "lookback period" is July 1, 2020, through June 30, 2021.

SEMI-WEEKLY DEPOSIT RULE: The total tax reported on Forms 941 during the "lookback period" is more than \$50,000. Employers must deposit on Wednesday and/or Friday, depending on what day of the week they make payments. Employers with payment days that fall on Wednesday, Thursday, and/or Friday must deposit the accumulated taxes on or before the following Wednesday. Employers with payment days that fall on Saturday, Sunday, Monday, and/or Tuesday must deposit the accumulated taxes on or before the following Friday. Employers will always have three (3) business days after the end of a semi-weekly period to make a deposit. If any of the three weekdays after the end of a semi-weekly period is a legal holiday, employers will have one additional business day to deposit.

MONTHLY DEPOSIT RULE: The total tax reported on Forms 941 during the "lookback period" is \$50,000 or less. Employers must deposit employment taxes and taxes withheld on payments made during a calendar month by the 15th day of the following month. Employers that accumulate \$100,000 or more on any day (see \$100,000 one-day deposit rule) immediately switch from a monthly depositor to a semi-weekly depositor for at least the remainder of the calendar year and for the following calendar year.

\$100,000 ONE-DAY DEPOSIT RULE: Employers subject to the semi-weekly or monthly deposit requirements that accumulate \$100,000 or more of employment taxes and taxes withheld during a deposit period must deposit those taxes by the close of the next business day following the day on which the amount was accumulated.

DEPOSITS ON BUSINESS DAYS ONLY: For MONTHLY and ONE-DAY depositors, if a deposit is required to be made on a day that is not a business day, the deposit is considered to be timely if it is made by the close of the next business day.

\$2500 EXCEPTION DEPOSIT RULE: The threshold for the deposit requirement is \$2,500. If employers accumulate less than a \$2,500 tax liability during a current quarter, no deposits are required. The employer may pay the tax liability with a TIMELY tax return for the quarter.

SATURDAY, SUNDAY OR LEGAL HOLIDAY: If any due date falls on a Saturday, Sunday, or legal holiday, payments are due on the next business day. When a day set apart as a legal holiday, other than the day of inauguration of the President falls on a Saturday, the next preceding day is observed as the holiday. When a day set apart as a legal holiday falls on a Sunday, the next succeeding day is observed as the holiday. Legal holidays are the legal holidays in the District of Columbia as found in the D.C. Code Ann. §28-701. (State legal holidays are no longer considered legal holidays unless they coincide with a legal holiday in the District of Columbia.) Legal federal holidays for 2022 are December 31, 2021 (New Year's Day observed), January 17 (Birthday of Martin Luther King, Jr.), February 21 (Washington's Birthday), April 15 (District of Columbia Emancipation Day), May 30 (Memorial Day), June 20 (Juneteenth National Independence Day observed), July 4 (Independence Day), September 5 (Labor Day), October 10 (Columbus Day), November 11 (Veterans' Day), November 24 (Thanksgiving Day), and December 26 (Christmas Day observed).

In general, a statewide legal holiday delays a due date for filing a return only if the IRS office where you are required to file is located in that state. A statewide legal holiday does not delay a due date for making a federal tax deposit.

Monthly depositors must deposit or pay the shortfall amount by the due date of Form 941.
